PRINT LOOSE BINDER

## SOFFICE NOTE BOOK

Ring note in cute and smooth colors.

The newly-designed ring is soft and small which makes you comfortable to use.

### NEW IDEA! Soft and Thin Ring

#### POINT 1

The soft and thin ring allows you to take notes more smoothly. The note is not bulky and easy to carry.

The ring is integrated with pocket.

#### NOTICE

The ring cannot be opened. This is a different type of note book from Twist or Open Ring Note books.

soffice

#### POINT 2

Cutting the ring, the leaf sheets can be binded in Lihit Lab. Twist Notebooks or Open Ring Notebooks. (※Paper sheets inside cannot fit in loose leaf binder) Furthermore, it is easy to separate for recycle.

#### UNIQUE

Ring in transparent color to match the color of the cover

#### UNIQUE

Light reflective golden hot stamping design

## PRINT LOOSE BINDER

A 2-hole binder that can hold school documents and loose leaf sheets together. It is thin, light and easy to be carried.

This binder provides loose leaf sheets made by Nakabayashi.

#### POINT 1

#### Thin but high-capacity ring

PP made hemispherical ring which is thin, light and easy to be carried. The ring hold up to 100 A4 or A5 loose leaf sheets.

collaboration

#### POINT 2

#### Lightweight design LogicalAir® loose leaf allows you to write smoothly

Binder provides loose leaf sheets made by Nakabayashi.

The sheets are 20 percent lighter than Nakabayashi's conventional product while the thickness of paper remains the same.

Durable paper sheets which can prevent ink from bleeding through.

Can be opened easily by twisting the ring

Designed with safety stopper to make the cover close firmly

"Logical Air Light Loose Leaf Sheets B5 Ruled Line 100 sheets" (LL-B504B) is recommended for refilling.
